

On Tuesday, September 8 *Weston Walks* will present a hike on the newest section of The Norwalk River Valley Trail. This easy hike of 3 or 4 miles is on a multi-use crushed-stone trail which will eventually go from Norwalk to Danbury. Our route will cover gently sloping terrain through pleasant and cool woods over newly built rustic bridges. When eventually completed, the Wilton trail will go to Cannondale Station. Portions of the trail will be very close to Weston.

We meet at 10:00 AM at the Commuter Parking Lot near Orem's Diner at the intersection of Route 7 and Wolfpit Road in Wilton. The hike leader will be Julie Sidhu, one of the original members of the Weston Bicycle and Pedestrian committee. She has been on most walks and hikes that Weston Walks has conducted and has worked for many years with local running clubs. Her associate leader will be Ray Rauth.

"Weston Walks" is a consortium of the Weston Bicycle and Pedestrian Committee, the Senior Center and Parks and Recreation.
